OUTSTANDING GUARD DRESSING CODE

TRAINING OF SECURITY GUARD

Private Security Regulatory Authority requires that Security Companies train guards according to set standards. The training content and program length, evaluation criteria and delivery methods are explicitly explained in our training curriculum. The training officer has undergone mandatory training as explained in the curriculum, with sufficient experience and accredited certification by PRSA.

GOOD WELFARE PRACTICES

The following good practices in terms of welfare were also recognized in the bench making process for some companies:

1. Medical Cover (NHIF)
2. NSSF contribution
3. Day offs
4. Annual leaves (paid or unpaid)
5. Gazetted Holidays
6. Annual awards and prizes to outstanding members.

PARADES

1. Timaam Parades
2. Pass-Out Parades

CUDA

Network Security
Data Encryption
Cyber Threat Intelligence
Incident Response

CUDA
SECURITY & LOGISTICS

Event Security & Management: We complement national security organs in maintaining law and order in events like sporting events like major marathons, music concerts, political rallies, fairs, exhibition etc.

VIP Protection: We provide both VVIP and VIP protection on major events or even at personal level. It is worth noting that this protection is both armed and unarmed as regulated by PRSA.

K9 Services/Security Dogs: Security patrols together with security dogs have proven to be an asset in theft reduction and criminal damage. Dogs have been used to detect explosives, narcotics and other threatening materials. They are often deployed in major events for crowd control, guarding and protection.

CUDA
SECURITY & LOGISTICS

Alarm response

Courier services: Ensures delivery of parcels in a safe and efficient manner on various client destinations.

Cash Management: This entails specialized transfer of cash and other valuables by professional security personnel with specialized training on the same. It reduces the risk and improves safety in handling cash from one point to another.

CONCLUSION

We pledge as a security provider to give customers value for money in terms of services. We are disposed to give.

We also wish to notify you that this is a challenge that requires co-operation and understanding from both parties. Together with consultations, we believe that we shall built cooperative relationships that shall be envied by other players in the security industry. Besides continuous research on better security measures will be part and parcel of security measures to our esteemed clients.

Kindly do not hesitate to contact us if you need more information regarding our services.

A warm welcome from Cuda Security and Logistics Services Ltd awaits each and every customer.

Thank you.

Kind Regards

Cuda Security and Logistics Services Ltd
